**DECLARATION AND POWER OF ATTORNEY FOR UTILITY OR DESIGN PATENT
APPLICATION**

I hereby declare that:

Each inventor's residence, mailing address, and citizenship are as stated below next to their name.

I believe the inventors named below to be the original and first inventors of the subject matter
which is claimed and for which a patent is sought on the invention entitled:

MULTI-MODE MULTI-BAND MOBILE COMMUNICATION
TERMINAL AND MODE SWITCHING METHOD THEREOF
(Title of the Invention)

the specification of which

☒ is attached hereto
was filed on (MM/DD/YYYY) 09/05/2006 as
as United States Application Number 10/591,822
or PCT International Application Number _____
and was amended on (MM/DD/YYYY) _____
(if applicable)

I hereby state that I have reviewed and understand the contents of the above-identified
specification, including the claim(s), as amended by any amendment specifically referred to above.

I do not know and do not believe that the claimed invention was ever known or used in the United
States of America before my invention thereof, or patented or described in any printed publication
in any country before my invention thereof or more than one year prior to this application. I do not
know and do not believe that the claimed invention was in public use or on sale in the United
States of America more than one year prior to this application, nor do I know or believe that the
invention has been patented or made the subject of an inventor's certificate issued before the date
of this application in any country foreign to the United States of America on an application filed by
me or my legal representatives or assigns more than twelve months (for a utility patent application)
or six months (for a design patent application) prior to this application.

I acknowledge the duty to disclose information which is material to patentability as defined in 37
C.F.R. 1.56, including for continuation-in-part applications, material information which became
available between the filing date of the prior application and the national or PCT international filing
date of the continuation-in-part application.

I hereby claim foreign priority benefits under 35 U.S.C. 119(a)-(d) or (f), or 365(b) of any foreign application(s) for patent, inventor's or plant breeder's rights certificate(s), or 365(a) of any PCT international application which designated at least one country other than the United States of America, listed below and have also identified below, by checking the box, any foreign application for patent, inventor's or plant breeder's rights certificate(s), or any PCT international application having a filing date before that of the application on which priority is claimed:
